The purpose of this Technical Order (TO) is to provide guidance equipment inventory purposes for the KC-135 aircraft. TO 1C-135-21, 15 September 02 is supplemented as follows.

SUMMARY OF REVISIONS

This document is substantially revised and must be completely reviewed.

1. Requirements as listed in this basic TO will be applicable with the exception of those items identified in this supplement. Future changes to the basic TO will not necessitate a change to this supplement unless Air National Guard (ANG) requirements are affected. To ensure that adequate quantities of -21 equipment are on hand to meet alert/mobility requirements, the Maintenance Group Commander (MXG/CC) is granted authority to approve the additional equipment. A copy of written approval will be maintained on file. Additional/optional items will be procured with unit funds and accounted for in the same manner as basic items listed in accordance with Air Force Instruction (AFI) 21-103, *Equipment Inventory, Status, and Utilization Reporting*.
